Subsection (7) of that section makes section 198 subject to section 39(2) of the Housing and Planning Act 1986 and section 15 of the Forestry Act 1967.

(2) Where a direction is given under paragraph (1) and trees on the relevant land are felled (pursuant to the consent), the owner of that land shall replant it in accordance with the direction.

(3) A direction under paragraph (1) may include requirements as to—

as it applies to the assessment of compensation where a felling licence is refused under section 10 (application for felling licence and decision of Commissioners thereon) of that Act as if for any reference to a felling licence there were substituted a reference to a consent required under this Order and for the reference to the Commissioners there were substituted a reference to the authority.

(6) In this article—

“development value” means an increase in value attributable to the prospect of development; and, in relation to any land, the development of it shall include the clearing of it; and
