### About this consultation

The Council has prepared a schedule setting out the proposed Main Modifications and changes to Policies Maps (hereafter referred to as 'Main Modifications') that is considered necessary in order for the DaSA Local Plan to be found sound. This document, along with a Sustainability Appraisal Report Addendum and Habitats Regulations Assessment Addendum, is available to make representations on. **All representations on Main Modifications will be submitted to the Inspector.**

Additionally, as a distinct exercise which is not a part of the DaSA Local Plan Public Examination process, the Council is undertaking a separate consultation on Additional (Minor) Modifications to the DaSA Local Plan. Responses to Additional Modifications **will only be considered by the Council** and not by the Inspector as they do not relate to the soundness of the plan.

**This form has been designed for use for both consultations.**

The Schedule of Main Modifications and changes to Policies Maps, Schedule of Additional Modifications, Sustainability Appraisal Report Addendum and Habitats Regulation Assessment Addendum are available to view on the Council's website at: [www.rother.gov.uk/dasa](http://www.rother.gov.uk/dasa).

**This is not an opportunity to re-state previous representations, as these are already before the Inspector as part of the examination process. This is also not an opportunity to raise new objections to the previous submission version of the DaSA Local Plan or to seek further changes to it.**
