Request

Under the freedom of information act please could you tell me how many reports of theft you have had of household waste bins in the following calendar years –

2014

2015

2016

2017

2018 to date.

If your council does not record reports of theft please provide me with details of the total number of requests for replacement household waste bins broken down by the same time periods.

How regularly did the council collect household waste bins (i.e. weekly, fortnightly) over the same periods, so - 2014, 2015, 2016, 2017, 2018 to date.

Response

Rother District Council do not log bin container thefts as they are usually reported as missing / fell into the back of the collection vehicle etc. Often residents are not present to identify why the bin has gone missing.
