Fax: (01256) 310201  
www.scottwilson.com

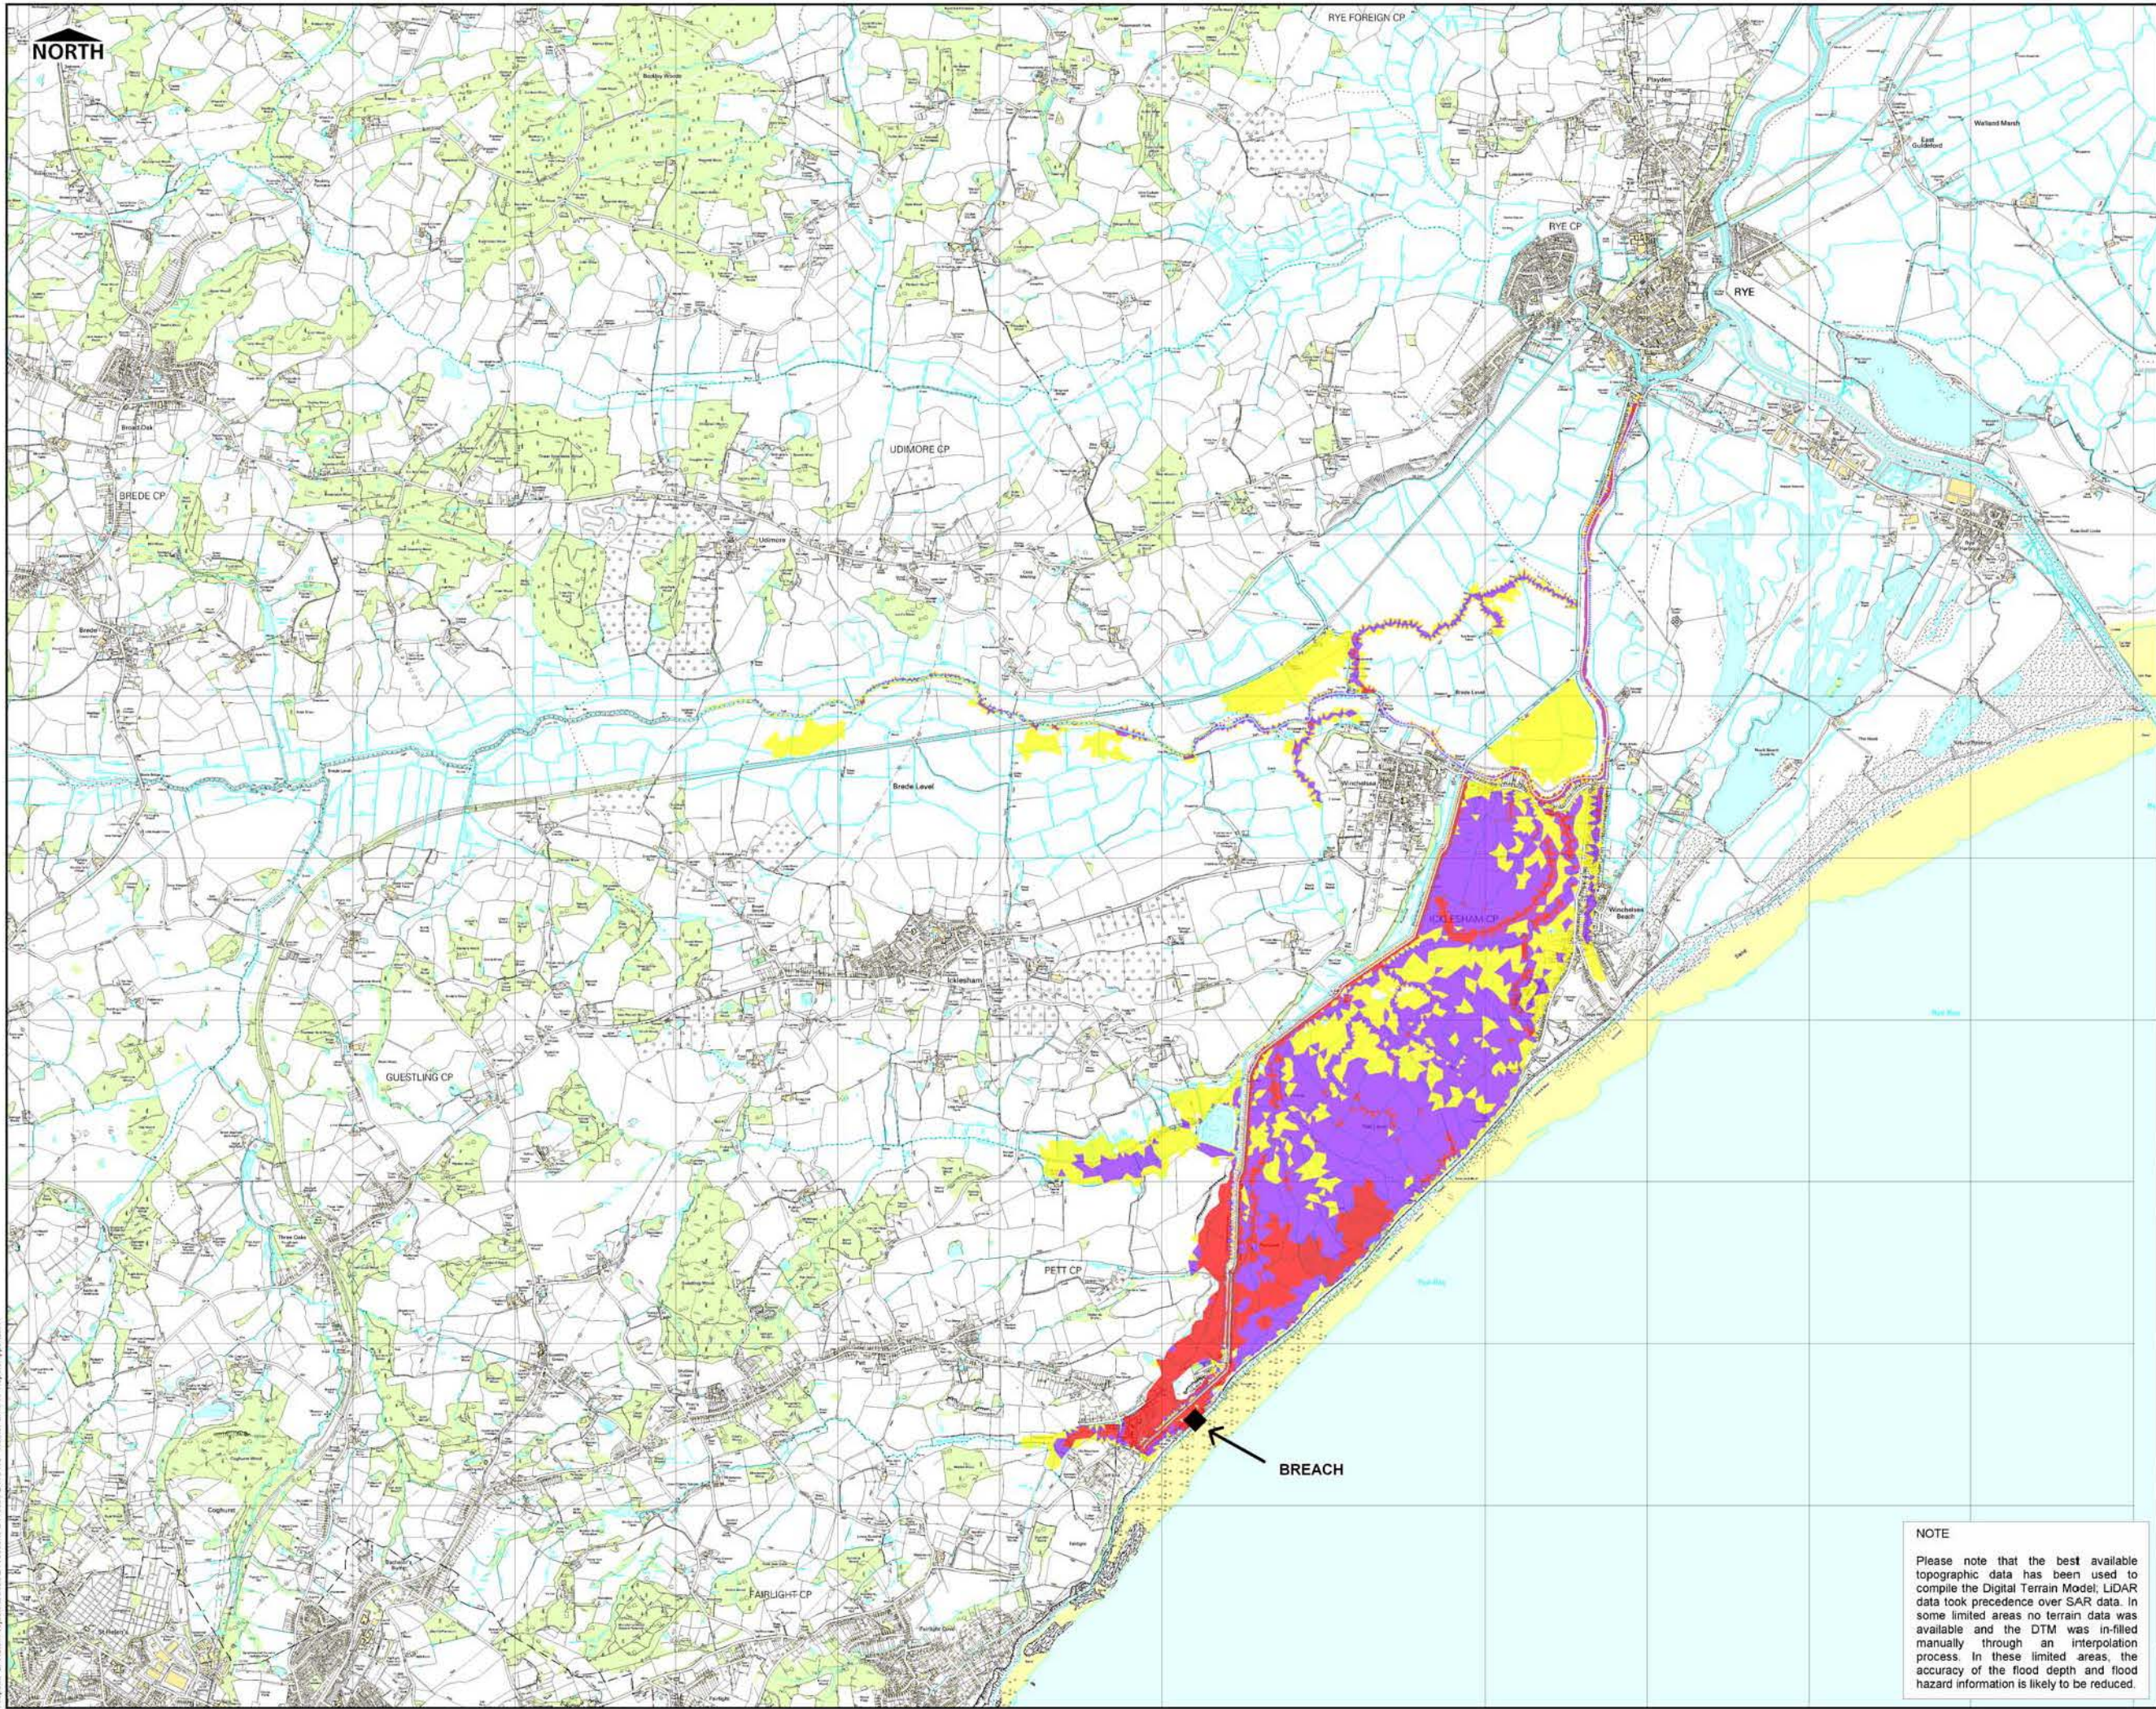

Drawing Number  
**A 3.1.1**

NOTE

Please note that the best available topographic data has been used to compile the Digital Terrain Model; LIDAR data took precedence over SAR data. In some limited areas no terrain data was available and the DTM was in-filled manually through an interpolation process. In these limited areas, the accuracy of the flood depth and flood hazard information is likely to be reduced.
