Drawing Status: **FINAL**

Job Title: **ROTHER DISTRICT COUNCIL SFRA**

Drawing Title: **Modelled Flood Depth as a result of a breach at Winchelsea Beach (allowing for overtopping) in a 0.5% (1 in 200 year) annual probability scenario in 2008**

Scale at A3: **1: 30,000**

Drawn: **AJG** Approved: **JR**

Stage 1 Check	Stage 2 Check	Originated	Date

 Telephone (01256) 310200
 Fax (01256) 310201
 www.scottwilson.com

Drawing Number: **A 4.1.1**

NOTE
 Please note that the best available topographic data has been used to compile the Digital Terrain Model. LIDAR data took precedence over SAR data. In some limited areas no terrain data was available and the DTM was in-filled manually through an interpolation process. In these limited areas, the accuracy of the flood depth and flood hazard information is likely to be reduced.

Plot Date: 13/03/2008
