

BURWASH NEIGHBOURHOOD PLAN SHARED VISIONING EVENTS X 5 MARCH 2018

TRANSPORT, ROADS, TRAFFIC & SAFETY	HOUSING & EXTERNAL ENVIRONMENT	EMPLOYMENT, SERVICES AND ACTIVITY
<p>RESIDENT SAFETY</p> <p>Dangers – especially for vulnerable visually impaired, children, wheelchair users, and older people. Prevent vehicles mounting the pavement at hairdressers pinch point:</p> <ul style="list-style-type: none"> * Protective bollards outside pinch point houses as per those at other end of village * Remove the A265 through Burwash, AND small Lanes e.g. Willingford Lane where there have been 2 fatalities, from Sat-Nav routes for large vehicles * Yellow jackets to monitor and catch speed freaks * Add signage at each end of pinch points to underscore priority lanes * Strategy to reduce use of A265 by huge lorries which are dangerous even when not speeding. * Enforce no parking on pavements to increase visibility as well as reduce 	<p>Convert the old Nursing Home (thought to be owned by a bank) to affordable small dwellings and flats – 1 & 2 bedrooms [like Cobblers Field]</p>  <p>Build starter homes for our young people. We need them to stay.</p> <p>Earmark the Oakley's site now. Use Oakley's and Bell sites for above.</p> <p>Convert the Bell into a community hub with shops and small businesses e.g art/pottery/community bistro</p>	<p>Start up a youth club at the BC Pavilion for young people across all parts of the village. It has ready made table tennis and other suitable kit & Monday nights are free!</p> <p>Make Burwash A WIFI village. Provide free wifi in all public/community spaces. Define WIFI as a utility – and an essential for local employment.</p> <p>DON'T FORGET WITHERENDEN HILL! Use RDC mail-out for future communications and consultations</p> <p>Create a safe environment and habitat for all – including badger runs, hedgehogs birds and bats.</p> <p>Create a YOUTH COMMITTEE as part of village forward planning structure.</p> <p>A young people's organisation/group with own meeting space and activity with volunteers to facilitate</p> <p>Create employment for young people so that our community retains and is</p>

dangers for wheelchair users.

- * Define clear priority lane at pinch points.
- * Traffic calming measures, but not sleeping policemen
- * Remove crash barriers at Crowhurst bridge to enable pedestrians/horses to escape traffic, and replace with white lines/signs.
- * Build new dropped kerbs that are clear of parked vehicles to enable safe movement of vulnerable people using wheelchairs, mobility scooters, and push chairs.

Make a realistic achievable and clear definition of what affordable means for us and our young people.

Smaller dwellings for young families and 'downsizers'.

New builds on brown field sites in smaller clusters and in local style with tile and white board cladding.

Employ local builders and architects.

Realistic % of affordable homes & flats

Any new build properties must have sufficient clear access and space to park 2 cars per household. We have no space for existing parking!

The school is already full - we must be able to increase capacity before building new properties for young families.

Any new development must be designed in a style that is in keeping with our villages and AONB.

Locate new developments on the edge in places that don't obscure the views of existing residents.

.....

enriched by them

Plan for improved connectivity with paths, bridle paths, cycle lanes, disabled access to pavements and crossing points

A status enhancing forum to focus on and prioritise and keep fresh thinking and planning re emerging needs of older people

Encourage healthy & active lifestyles through exercise and dance groups, + walking for people who prefer shorter 'saunters'.

Leisure Centre.

Focus resources on retaining and enhancing much valued existing buildings e.g. Burwash Village Hall, not replacing them.

Buy the Bell and use as a community facility + providing local employment.

Create our own inexpensive play equipment e.g. wood circles.

Make Swan Meadow a year round facility by: improving parking, improving the play area, creating a

* Introduce 20MPH speed limit, with signs where current 30mph signs are at each end of Burwash village.

* White board boundary entry welcome and exit messages advising vehicle's arrival into a residential area & recommending 20mph, with flowers..

* Double yellow lines in the right place will deter some people.

* Blind right turn at top of Shrub Lane especially when tall traffic obscures view further

* Address dangerous turning point out of Ham Lane

* Create passing places along the narrow parts of Shrub Lane

Publish accessible maps of local pathways to maximise usage and keep them open.

Wild flowers in Strand Meadow

Don't plant Spanish bluebells and risk losing our native plants.

Reinstate, preserve and maintain our verges preventing lorries from destroying them, using cones while introducing wildflowers and bulbs..

Make Burwash a totally dark sky as part of the NASA backed dark sky project. Turn off street lights & equivalent on buildings e.g fire station. Security lights attract rather than detract attention. Avoid using porch lights, and cap any essential outside lights so that they shine downwards not up.

N.B. Blue lights are carcinogenic and harm the stratosphere. [Pink & yellow OK).

Sanitary wear placed down the loo turn up in the River Rother. Ladies please dispose via the rubbish.

safer year round play area surface, [bouncy tarmac] add activity equipment suitable for older teenagers, enhancing the pavilion & creating a large window viewing area, and variety of indoor facilities, so that we can also become a winter venue for the Rude Mechanicals.

Find out about the community hall at the fire station, and how this can be used as a community resource

Plan for sufficient school and GP services consistent with additional new building and growing population.

Connect with British Gypsum as a local employer and community supporter.

Create a cinema club/night at Village Hall/ and Pavilion

Farmers Market in the car park

More shops - a community hub like the old newsagent. More shops & businesses to rejuvenate [employment] the village centre.

A cinema club, using community spaces

* Create official crossing points zebras & pelican lights, to increase safety and reduce speeding

* Create safe path ways along side lanes & promote the wearing of high vis clothing to increase pedestrian safety.

* Any traffic calming measures must consider School Hill and times of drop off and collection of children.

CAR PARKING

More car parking in main Burwash village.

Introduce residents parking scheme for all village car parks

Publish rules re parking outside the Catholic Church

Put charging points in all car parks including the BC Pavilion

Could Oakleys site be used for parking?

TRANSPORT

Bus route via Stonegate Station and

Keep the village clean by picking up dog poo and litter.

ENHANCE EMPLOYMENT THROUGH CO-CREATING A VISITORS STRATEGY
Cafe/restaurant /Tea room

Publish village welcome pack for visitors and new residents

Create a village Notice Board [in the main car park & replicated on line] with local maps, footpaths and walk, tourist information, places to stay, nearby places of interest. e.g. Mad Jack's Follies

Collaborate with the NT on communications maximising all village and NT media to promote tourism

Connect with London based Holiday companies e.g. 'Off the Beaten Track' + host a 'familiarisation visit for tourist information services.

ensure improved bus/transport connects with train times
Bus service to Hurst Green where there are links to Kent towns
Bus stops at Rectory Court, later buses and ones at weekend with stopping spaces off the road

A community bus

Publish bus timetables in a variety of ways: on line Burwash website, in shops, by stops.

Develop a coherent approach to road maintenance and pot holes.

Invite contributions to co-create local postcards of Burwash village and AONB
