Dear Andrew,

I intended to include the determination of Strand Meadow reserve matters planning application with the other responses on Monday, however as this will be delayed by a couple of days, I'll inform you now that the application was refused at Planning Committee on the 18<sup>th</sup> February. As you will know, the outline permission expires on the 8<sup>th</sup> March, and the housing target for Burwash Village will again be 52.

Regards,

Dear Julia  
Thanks for your e mail.  
I agree with your conclusion - it would be simpler for the approved response to come to me after the BPC meeting.  
FYI the general elements of the report are now completed.  
If there is any delay in the common statement please could I have the BPC responses to the clarification note next week - this would allow me to fill in the majority of the gaps in my report.  
Have a good w/e yourself.

Best wishes  
Andrew Ashcroft

Dear Andrew,

The SG have suggested that they can submit responses to the clarification note today, however the Burwash PC meeting which will approve the responses takes place next Tuesday 9<sup>th</sup>. I have advised them that it will be more straightforward if we send you the responses on Wednesday 10<sup>th</sup> and this will not cause any significant delay in the examination.

I have sent the SG a draft of the Statement of Common Ground, and I hope they will be happy to sign it, although it may require further discussion.

Have a good weekend,
