**Notes**

The Historic Flood Map shows the recorded flood incidents and flood outlines provided by the Environment Agency and East Sussex County Council. Environment Agency flooding incidents provided have been categorised based upon the details provided in the records. East Sussex County Council flood records are largely from unknown sources and therefore have not been categorised in this map. Please note that not all historical records may be shown on this map, and that it is therefore advised you contact the Environment Agency or East Sussex County Council for updated information.
