Rother District Council

Authority Monitoring Report 2022

Appendix 2: Local Plan Monitoring Data Tables

Contents

Overall Spatial Strategy Data Tables

Target:	Maintain a rolling five year housing land supply.
Indicator:	Net additional dwellings provided in Rother [RDC, 2022 Housing Land Supply]

Score:	0.6	**Not achieving progress towards target** 2.5 to 3 years of housing land supply.

Trend:	▼	**Negative Trend** Fewer years of housing land supply in 2022.

Scoring System: Performance is scored against a target of five years of housing land supply.

5	**Target achieved or exceeded** 5 years or more of housing land supply.	
4	**Excellent progress towards target** 4.5 to 5 years of housing land supply.	
3	**Good progress towards target** 4 to 4.5 years of housing land supply.	
2	**Fair progress towards target** 3.5 to 4 years of housing land supply.	
1	**Poor progress towards target** 3 to 3.5 years of housing land supply.	
0	**Not achieving progress towards target** 2.5 to 3 years of housing land supply.	

Score Data:

Housing Land Supply	01 Apr 2022	Target	Progress
Years	2.79	5.00	55.8%

Release date: October 2022

Trend Data:

Housing Land Supply	01 Apr 2021	01 Apr 2022	Change
Years	2.89	2.79	-0.10

Release date: October 2022

Monitoring Data Table: OSS2

Target:	Provide at least 100,000 sqm of employment floorspace in Rother.	
Indicator:	[Net employment floorspace completed in Rother [RDC, 2022 Employment Land Supply]](#)	

Score:	**1.9** (red)	**Poor progress towards target** 20% to 40% of Annualised Average Requirement.

Trend:	**▲** (green)	**Positive Trend** More employment floorspace provided in 2021/22 than in 2020/21.

Scoring System:	Performance is scored against the Annualised Average Requirement (AAR) for this point in the Plan period, i.e, (100,000 sqm / 17 yrs) x 11 yrs = 64,706 sqm

Score	Description
5	**Target achieved or exceeded** 100% or more of Annualised Average Requirement.
4	**Excellent progress towards target** 80% to 100% of Annualised Average Requirement.
3	**Good progress towards target** 60% to 80% of Annualised Average Requirement.
2	**Fair progress towards target** 40% to 60% of Annualised Average Requirement.
1	**Poor progress towards target** 20% to 40% of Annualised Average Requirement.
0	**Not achieving progress towards target** 0% to 20% of Annualised Average Requirement.

Score Data:

Net employment floorspace gained (sqm)	Up to 01/04/2022	AAR 01/04/2022	Progress
Rother	24,953	64,706	38.6%

Release date: October 2022
