Dear Petitioner Organiser

PETITION – ROTHER COUNCIL – STOP THE £30 PARKING AT CAMBER CENTRAL CAR PARK NOW TO SAVE BUSINESSES

Thank you for submitting the above Petition on Monday 4 September 2023. I am writing to confirm how the Council intends to deal with your Petition.

In accordance with our Petition Scheme any person living, working or studying in the Rother District can sign a Petition. Although it is evident that many signatures on your Petition are unlikely to meet these criteria (out of the 1,898 signatures on the paper version submitted, there are only 587 postcodes that fall within the Rother District), the Council has accepted your Petition.

Details of the Petition will be added to the Council's Petition Log shortly and viewed at the following link:

[Petitions and e-petitions – Rother District Council](#)

As the petition does not contain enough signatures to trigger a full Council debate, I have passed it onto the Head of Neighbourhood Services who is responsible for the car parking provision in Rother for consideration. The petition will be used as part of the evidence gathering and feedback exercise regarding this summer's trial £30 car park charge at Camber's Central Car Park.

If you require any further information, please contact Lisa Cooper, Democratic Services Manager on 01424 787813.

Yours sincerely
