Dear Mr Skinner,

As you may be aware, the examination of the Hurst Green Neighbourhood Plan has started. The examiner, John Slater, has read through the submitted documents and the Regulation 16 representations and issued his initial comments. In these, he has given you the opportunity to make any additional written representations. Please see the attached document which contains his instructions. This document can also be found on the RDC neighbourhood plan web pages [Hurst Green Neighbourhood Plan – Rother District Council](#).

Could you please submit these representations to me, copying in the parish council clerk@hurstgreen-pc.gov.uk, by Friday 14th February?

Regards,
