

**ENFORCEMENT NOTICE - OPERATIONAL DEVELOPMENT****IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY****TOWN AND COUNTRY PLANNING ACT 1990**

(as amended by the Planning and Compensation Act 1991)

**ENFORCEMENT NOTICE****ISSUED BY:** Rother District Council

1. THIS NOTICE is issued by the Council because it appears to them that there has been a breach of planning control, within paragraph (a) of section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the Notice and the enclosures to which it refers contain important additional information.

**2. THE LAND TO WHICH THE NOTICE RELATES**

Land at Andersons Wood, Lakehurst Lane, Woods Corner, Ashburnham, East Sussex shown edged red on the attached plan

**3. THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL – OPERATIONAL DEVELOPMENT**

Without planning permission:

- i) the laying of crushed concrete and limestone chips on 200 metres of existing forestry track the approximate position shown coloured brown on the plan
- ii) the laying of a culvert underneath the surfaced track the approximate position shown coloured brown on the plan

**5. REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last four years.

The site lies within an area of designated ancient woodland. It also lies within the High Weald Area of Outstanding Natural Beauty. The development that has been carried out has impacted on the significance of the woodland floor beneath, which is part of the ancient woodland ecosystem. It has not been demonstrated that there is an overriding justification for the development that would outweigh the harm to ancient woodland habitat. The development is therefore contrary to national planning policy in Paragraphs 115 and 118 of the National Planning Policy Framework; Policy GD1 (v) (vii) of the Rother District Council Local Plan (2006); and Policy EN1 (i) (vi) of the Rother District Local Plan – Core Strategy.

The Council do not consider that planning permission should be given, because planning conditions could not overcome these objections.

## **6. WHAT YOU ARE REQUIRED TO DO**

- i. Remove from the land the crushed concrete and limestone chips and other imported materials, used to surface the 200m of forest track and the turning areas
- ii. Remove the imported materials used to construct the culvert, and
- iii. Restore the land to its condition prior to when the breach of planning control took place (that is a forest path with compressed earth).

## **7. TIME FOR COMPLIANCE**

Three months after this notice takes effect.

## **8. WHEN THIS NOTICE TAKES EFFECT**

This notice takes effect on 14 June 2014 unless an appeal is made against it beforehand.
